9) It is now proposed to designate him as Addl Dy Dir of Agriculture and to post him as such in the vacancy caused by the appointment of Sri N. Nallaraj IAS as Principal Agricultural College, — on a pay of Rs 575/- which he is now drawing plus a duty allowance of Rs 100/- P.M.

11) Sri Chennarudrayya who is a permanent officer of the Civil Service is at present holding a tenure appointment in the Agricultural Deptt. carrying a grade pay of Rs. 300-25-600. As this grade pay is not personal to the officer, it cannot, ordinarily, be carried by him, on a change of post, from one Deptt. to another.

12) The post to which Sri Chennarudrayya is proposed to be transferred carries a higher grade pay than that in which he is now placed, and the salary of an officer transferred from a lower grade appointment in his parent department to a higher grade appointment in another Deptt. is generally fixed at his substantive pay plus an Sp. allce. calculated at one-fifth of the minimum of the grade pay of the new appointment, or if the transfer to the new appointment is made on a tenure basis, at the minimum of the grade pay of the new appointment. In either case, the salary admissible in this case on a strict application of the rules would not be more than Rs. 500/- to start with. This rule if applied would affect the present emoluments of the officer adversely in that they would get reduced by Rs. 75/-. Hence the proposal to fix his pay at Rs. 575/- in order to protect him from loss of emoluments. As pointed out already, this does not follow

Serial No.

any rule or practice applicable to the case, and is for the special orders of Govt.

13) There is no duty allce attached to the post of Addl. Dy. Dir. of Agriculture, G.M.F. and the previous incumbent Sri M. Mallaraj Urs was not in receipt of any allce.

14) If Sri Channarandraiya's appointment in the G.M.F. Deptt. is regarded as a deputation from his parent department, the deputation allce admissible as per rules is 10% of his pay, namely, Rs. 50/-. No special reasons have been assigned for fixing the duty allce at Rs. 100 which is recommended in addition to a higher starting pay than is admissible.

15) Consultation with F.D. is necessary and this would be Council matter.

Sri 12.5.50 8.

16) Sri D. R. Channarandraiya is an Asst. Comr. drawing a pay of Rs 500/- in the grade of Rs 300-25-500. He is at present holding the post of Supt. of Farms and is in receipt of a pay Rs. 575/- in the grade of Rs 300-25-800 on a tenure basis. In addition to this duties as Farm Supt., Sri Channarandraiya is performing the duties of the Hd-quarters Asst to the Dir of Agriculture which is vacant ever since Sri M. Ramaraj Urs who held it, was transferred as Asst to Comr of Food Production.

17) The post of Addl. Dy. Dir of Agriculture G.M.F.

NOTE—Contn. Sheet.

carries the grade pay of Rs 500 - 50/2 - 700.
It is also stated that according to the Budget Estimates for 1949-50 sent to Govt of India the provision includes an enhanced scale of pay of Rs 700 - 50/2 - 900 to the Addl. Dy. Dir of Agri and that the proposal to fix up Sri H. Nadaraj was in that grade, dropped.

18) Sri Channarudraiya is drawing a substantive pay of Rs 500/- and he is the next officer to get promotion as Dy Asst Comr on Rs 500 - 25 - 800. He is drawing a pay of Rs 575/- on a temme basis. In case he is transferred as Addl. Dy. Dir, he cannot carry this temme pay. In this new appointment he will get his substantive pay plus a deputation allowance of Rs 50/- which is 1/10 of Rs 500/-. If he is appointed to act as Addl. Dy Dir, he will get Rs 500 + A.A. 100/- which is 1/5 of Rs 500/-, but limited to Rs 500/- the minimum pay of that grade. In either case his emoluments get reduced to the extent of Rs 75/- pm. His posting as Addl. Dy. Dir is being made in the interests of public service, and does not appear to be prejudicial to the officer. The duties of Dy Dir are not less onerous and responsible & important than those of the Farm Supdt. In these circumstances it does not appear to be

to be fair to make the offcer incur a loss in his present emoluments. He must at least be started on his present emoluments in the new appointments in the grade of Rs 500-50/2-700 on a temre basis and subject to the condition that the offcer will not make it a ground to claim a higher pay in this parent Dept. after this duties in new post cease.

19) His present pay of Rs 575/- does not fit in in the grade of Rs 500-50/2-700. His pay may have to fixed at ~~Rs 550~~ Rs 550 + P.A. 25 in the grade of Rs 500-50/2-700.

20) As regards ~~the~~ D.A.

Sri Channandraiya is not in receipt of any allowance in this present appointment. Nor is any duty allowance is attached to the post of Addl. Dy. Dir. Though Sri Channandraiya is designated as Addl. Dy. Dir of Agriculture, A.H. Sc. he is required to work under the Comr for Food Production and he is regarded as one of the Asstts to the Comr, An Asst Comr posted as Asst to the Hd of a Dept in Bangalore, he is entitled to a duty allowance of Rs 50/- pm. Sri Channandraiya, an Asst Comr may have to work as Asst to Comr for Food Production who is the Hd of that Dept and he is therefor

entitled to a deputation allowance of Rs 50/- p.m. This is for consideration and orders.

22) When an officer is taken off from one post and is posted to another, and if he loses in emoluments during the process, it cannot be helped. The assumption that he should not lose in the process is incorrect, and if the assumption is conceded, it means that once an officer is posted to an appointment with an allowance, or carrying a higher pay, he should forever get that higher emolument, to whatever other post he may be posted.

23) It is an equally untenable assumption to hold, that the basis for fixing the officer's pay in the new post, should be the pay he is drawing in a former post, outside his cadre; and not his substantive pay.

24) It is right and proper to give him in his new post his substantive pay in his parent department,

25) If this is considered for any reason not sufficient, though according to rules it will be correct, he may be put in the grade of the appointment on Rs 500/-, plus an absorbable allce of Rs 25/-, plus the D.A. of Rs 507-. There will then be no loss in emoluments.

3) Regarding the question of seniority between Sri. Nallaraj Urs & Sri. Chennamaraiah, in the Sc. which was mentioned by the Home Minr., the two belong to two different Services, and there can be no relative seniority. What Sri. Nallaraj Urs is anxious about is, as far as I understand, that he shd. have a superior hen on the temporary post of 500-50/2-700, so long as this post exists. He has no particular representation to make for the post is likely abolished, for any reason. Even if the post be continued and Sri. COUNCIL NOTE:

SUBJECT:- Proposal to designate Sri D.R.Chennarudraiya, Assistant Commissioner doing duty as Superintendent of Farms as Additional Deputy Director of Agriculture for Grow More Food Works and to post him as such on a special pay of Rs.577/- plus a duty allowance of Rs.100/- P.M.

---

The Commissioner of Food Production has proposed that Sri D.R.Chennarudraiya, Assistant Commissioner, doing duty as Superintendent of Farms and Headquarters Assistant to the Director of Agriculture may be posted as Additional Deputy Director of Agriculture for Grow More Food Works on a pay of Rs.575/- plus a duty allowance of Rs.100/- p.m,

2. The Commissioner of Food Production adduces the following reasons in support of his recommendation:-

"Sri M.Mallaraj Urs, Additional Deputy Director of Agriculture who was working here as one of my Assistants has been transferred as Principal, Agricultural College, Hebbal, and the place is vacant ever since he handed over charge on the afternoon of 8/11/50. Sri Mallaraj Urs was dealing with the Procurement and distribution of seeds, manures and other miscellaneous works of a technical nature as well as attending to some correspondence under the Grow More Food Schemes. The post of this Additional Deputy Director of Agriculture at Headquarters has been approved by the Government of India and the Govt of India has been financing 50% of the pay of Additional Deputy Director and his staff under the Grow More Food Schemes. The appointment of a senior Officer to this post in place of Sri Mallaraj Urs is found to be absolutely necessary in view of the increasing work of the Department. I feel that a senior officer with a certain amount of knowledge and experience in the Agricultural Department will be helpful.

In this connection, I write to state that Sri Channarudraiya, Assistant Commissioner, who is now working as Headquarters Assistant to the Director of Agriculture and also as Superintendent, Government Farms, will be suited to this place. Sri Channarudraiya is now drawing Rs.575/- in a special grade of Rs.300-25-600 and he may be designated as Additional Deputy Director of Agriculture and posted to

to this
place in the same special grade pay of Rs.575 which he is now drawing with a duty allowance of Rs.100 and posted in place of Sri Mallaraj Urs. I have also consulted the Director of Agriculture in the matter and he is agreeable to spare the services of Sri Channarudraiya to this Department."

3. Sri D.R.Channarudraiya is an Assistant Commissioner drawing a pay of Rs.500/- in grade Rs.300-25-500. He is at present holding the post of Superintendent of Farms and is in receipt of pay of Rs.575/- in the grade of Rs.300-25-600 on a tenure basis.

4. The post of Additional Deputy Director of Agriculture, Grow More Food, carries the grade pay of Rs.500-50/2-700. According to the Budget Estimates for 1949-50 sent to Gogernment of India, the provision includes an enhanced scale of pay of Rs.700-50/2-800 to the Additional Deputy Director of Agriculture but the proposal to fix up Sri M.Mallaraj Urs in that grade was dropped.

5. Sri Chennarudraiya's present pay of Rs.575/- does not fit into the grade of Rs.500-50/2-700. His pay may have to be fixed at Rs.550 plus P.A. 25 in the grade of Rs.500-50/2-700.

6. The Chief Secretary has noted as follows:-

"When an Officer is taken off from one post and is posted to another, and if he loses in emoluments during the process, it cannot be helped. The assumption that he should not lose in the process is incorrect, and if the assumption is conceded, it means that once an Officer is posted to an appointment with an ~~Officer is posted~~ allowance, or carrying a higher pay, he should for ever get that higher emolument, to whatever other post he may be posted.

It is an equally untenable assumption to hold that the basis for fixing the officers pay in the new post, should be the pay he is drawing in a tenure post, outside his cadre, and not his substantive pay.

It is right and proper to give him in his new post his substantive pay in his parent department (Rs.500/-), plus an acting allowance of 1/5th of the minimum in the grade of the new appointment, plus a D.A. of Rs.50/-. He would get Rs.550/- as against

.....

against Rs.575/- he is now drawing, but this would increase gradually, when he earns the increments in his own grade.

The Officer may be given his own pay of Rs.500/- in the Senior Assistant Commissioner's scale of Rs.500-25-600, plus an absorbable allowance of Rs.25/-, plua a D.A. of Rs.50/-; this would bring his total emoluments to Rs.575/-, what he is now receiving as Superintendent of Farms; it would also avoid the necessity of having to fix him up in the grade Rs.500-50/2-700, which is difficult as the two grades differ, and, the post is also temporary. The post of Rs.500-50/2-700 may be ignored or abolished altogether.

Regarding the question of seniority between Sri Mallaraj Urs and Sri Chennarudriah, inter se, which was mentioned by the Home Minister, the two belong to two different services, and there can be no relative seniority. What Sri Mallaraj Urs is anxious about is, as far as I understand, that he should have a superior lien on the temporary post of Rs.500-50/2-700, so long as this post exists. He has no particular representation to make if the post is itself abolished, for any reasons. If the post be continued and Sri Mallaraj Urs be given a lien on it, it would again lead to difficulties as he would claim increments in Rs.500-50/2-700, and, in another file, this particular matter of posting Sri Mallaraj Urs against this post was dropped. Were he to be given a lien on this, he would be obtaining indirectly what Government decided against recently. (In the result, the best course would seem to be to abolish this post on Rs.500-50/2-700, and to appoint both officers independently of it, the one as Principal on his permanent pay plus allowances etc. the other as Senior Assistant Commissioner on Special Duty in the Agricultural Department on his own pay, plus Rs.25/- absorbable allowance, plus a D.A. of Rs.50/-.

8. The Hon'ble Minister for Home has minuted as follows:-

"I agree. This will solve the difficulty. I am in favour of giving a duty allowance of Rs.75/- in view of the heavy work he has to do."

9. When the file was again submitted to the Hon'ble Home Minister, he has minuted as below:-

"There would have been no difficulty if there were not the claims of Mallaraj Urs. Having posted him as Principal, it will be misconstrued if Sri Channarudraiya is posted as Deputy Director in that scale. The best course is to post him on his pay with a substantial allowance. 5. Sri Channarudraiya's present pay of Rs.575/- does not fit into the grade of Rs.500-50/2-700. His pay may have to be fixed at Rs.550 plus D.A. 25 in the grade of Rs.500-50/2-700.

6. The Chief Secretary has noted as follows:-

"When an Officer is taken off from one post and is posted to another, and if he loses in emoluments during the process, it cannot be helped. The assumption that he should not lose in the process is incorrect, and if the assumption is conceded, it means that once an officer is posted to an appointment with an ~~xxxxxx~~ special allowance, or carrying a higher pay, he should for ever get that higher emolument, to whatever other post he may be posted.

It is an equally untenable assumption to hold that the basis for fixing the officers pay in the new post, should be the pay he is drawing in a tenure post, outside his cadre, and not his substantive pay.

It is right and proper to give him in his new post his substantive pay in his parent department (Rs.500/-), plus an acting allowance of 1/5th of the minimum in the grade of the new appointment, plus a D.A. of Rs.50/-. He would get Rs.550/- as against

against Rs.575/- he is now drawing, but this would increase gradually, when he earns the increments in his own grade.

The Officer may be given his own pay of Rs.500/- in the Senior Assistant Commissioner's scale of Rs.500-25-600, plus an absorbable allowance of Rs.25/-, plus a D.A. of Rs.50/-; this would bring his total emoluments to Rs.575/-, what he is now receiving as Superintendent of Farms; it would also avoid the necessity of having to fix him up in the grade Rs.500-50/2-700, which is difficult as the two grades differ, and, the post is also temporary. The post of Rs.500-50/2-700 may be ignored or abolished altogether.

Regarding the question of seniority between Sri Kallaraj Urs and Sri Channarayrich, inter se, which was mentioned by the Home Minister, the two belong to two different services, and there can be no relative seniority. What Sri Kallaraj Urs is anxious about is, as far as I understand, that he should have a superior lien on the temporary post of Rs.500-50/2-700, so long as this post exists. He has no particular representation to make if the post is itself abolished, for any reasons. If the post be continued and Sri Kallaraj Urs be given a lien on it, it would again lead to difficulties as he would claim increments in Rs.500-50/2-700, and, in another file, this particular matter of posting Sri Kallaraj Urs against this post was dropped. Were he to be given a lien on this, he would be obtaining indirectly what Government decided against recently. In the result, the best course would seem to be to abolish this post on Rs.500-50/2-700, and to appoint both officers independently of it, the one as Principal on his permanent pay plus allowances etc. the other as Senior Assistant Commissioner on Special Duty in the Agricultural Department on his own pay, plus Rs.25/- absorbable allowance, plus a D.A. of Rs.50/-.

"I agree. This will solve the difficulty. I am in favour of giving a duty allowance of Rs.75/- in view of the heavy work he has to do."

9. [illegible] was again submitted to the Hon'ble Home Minister, in her minute as below:-

The best course is to post him on his pay with a substantial allowance. COUNCIL NOTE:

SUBJECT:- Proposal to designate Sri D.R.Chennarudraiya, Assistant Commissioner doing duty as Superintendent of Farms as Additional Deputy Director of Agriculture for Grow More Food Works and to post him as such on a special pay of Rs.577/- plus a duty allowance of Rs.100/- P.M.

---

The Commissioner of Food Production has proposed that Sri D.R.Chennarudraiya, Assistant Commissioner, doing duty as Superintendent of Farms and Headquarters Assistant to the Director of Agriculture may be posted as Additional Deputy Director of Agriculture for Grow More Food Works on a pay of Rs.575/- plus a duty allowance of Rs.100/- p.m,

2. The Commissioner of Food Production adduces the following reasons in support of his recommendation:-

"Sri M.Hallaraj Urs, Additional Deputy Director of Agriculture who was working here as one of my Assistants has been transferred as Principal, Agricultural College, Hebbal, and the place is vacant ever since he handed over charge on the afternoon of 8/11/50. Sri Hallaraj Urs was dealing with the Procurement and distribution of seeds, manures and other miscellaneous works of a technical nature as well as attending to some correspondence under the Grow More Food Scheres. The post of this Additional Deputy Director of Agriculture ~~xx~~ at Headquarters has been approved by the Government of India and the Govt of India has been financing 50% of the pay of Additional Deputy Director and his staff under the Grow More Food Schemes. The appointment of a senior Officer to this post in place of Sri Hallaraj Urs is found to be absolutely necessary in view of the increasing work of the Department. I feel that a senior officer with a certain amount of knowledge and experience in the Agricultural Department will be helpful.

In this connection, I write to state that Sri Channarudraiya, Assistant Commissioner, who is now working as Headquarters Assistant to the Director of Agriculture and also as Superintendent, Government Farms, will be suited to this place. Sri Channarudraiya is now drawing Rs.575/- in a special grade of Rs.300-25-600 and he may be designated as Additional Deputy Director of Agriculture and posted to

3. Sri D.R.Channarudraiya is an Assistant Commissioner drawing a pay of Rs.500/- in grade Rs.300-25-500. He is at present holding the post of Superintendent of Farms and is in receipt of pay of Rs.575/- in the grade of Rs.300-25-600 on a tenure basis.

4. The post of Additional Deputy Director of Agriculture, Grow More Food, carries the grade pay of Rs.500-50/2-700. According to the Budget Estimates for 1949-50 sent to Government of India, the provision includes an enhanced scale of pay of Rs.700-50/2-800 to the Additional Deputy Director of Agriculture but the proposal to fix up Sri M.Mallaraj Urs in that grade was dropped.

5. Sri Chennarudraiya's present pay of Rs.575/- does not fit into the grade of Rs.500-50/2-700. His pay may have to be fixed at Rs.550 plus P.A. 25 in the grade of Rs.500-50/2-700.

I have also consulted the Director of Agriculture in the matter and he is aggreable to spare the services of Sri Channarudraiya to this Department.

I request that early orders may be passed posting Sri Channarudraiya as Additional Deputy Director of Agriculture for G.M.F.Works.

GOVERNMENT OF MYSORE.

General and Revenue Secretariat,

No.3675-3684/C.B.84-50-1. Dated, Bangalore, 27th May 1950.

OFFICIAL MEMORANDUM.

Under the existing rules, all questions relating to appointment, deputation, retirement, discipline, posting and transfer of Gazetted Officers on a pay of Rs.500/- and above and of all Officers belonging to the Mysore Civil Service are to be dealt with in the Confidential Branch of the General and Revenue Secretariat.

Of late, there have been a number of deviations from this rule and orders have been issued sanctioning allowances, arrangements for posting, etc., in respect of officers belonging to the Mysore Civil Services without reference to the Confidential Branch. This is incorrect and should be avoided.

The rule referred to above has no doubt been considerably modified in practice; more particularly with regard to the questions of officers belonging to technical departments like Public Works, Electrical, etc. While this may be justified to some extent and while it may also be necessary for the Administrative Branch concerned to examine certain aspects of a question relating to an officer belonging to the Mysore Civil Service, prior consultation with the Chief Secretary before orders are sought, is quite necessary and deviations in this behalf will be seriously noticed in future.

Secretaries to Government are requested to see that the rules are strictly adhered to, and that the existing practice in regard to consultation with the Confidential Branch is invariably followed.

Sd/- K.M.Ramakrishnaiya,
For Chief Secretary to Government.
